Women's Heart Week is celebrated each year in the first week of February from February 1 to 7. The observation aims to educate, raise awareness, and teach the symptoms and preventions of serious heart diseases in women. Health centers organize screenings, talks, and awareness programs, and women are familiarized with gender-specific information on heart illnesses. This is a good time to get your heart checked especially if you have a history of heart illnesses in your family. Timely precaution can save you from suffering from major heart issues. Consult your doctor or health care providers on how to observe Women's Heart Week.

Department of Commerce conduct state level talent test for Jr.Colleges.

About the College
Govt. Degree College, Avanigadda was started in the year 1977, to uplift the living conditions of Diviseema, an interior coastal region of Andhra Pradesh where the lives of the people are much dependent on the mercy of nature to a maximum extent. The college was born when Sri. M. V. Krishna Rao, who was an on of the soil had become Education Minister of Andhra Pradesh, and used his good offices to establish a college in Avanigadda, a place which has access to all corners of Diviseema. The college was started with Arts and Commerce courses and further expanded with the introduction of Science courses in the year 2001.

The College works with a vision to provide holistic education that makes the Island Area, a land of law-abiding citizens that respects the sovereignty of the state and ready to serve the country, to protect national integration and to respect the diversity in culture and ecosystem displaying scientific temperament and unified work and with a mission to impact holistic education by identifying and inspiring its core components, to inculcate moral values, legal awareness in the students and to create awareness of the need to protect the environment especially the rich and diverse ecosystem of the Island area.

About Commerce Department
The Department of Commerce was established in the year 1977 with the U. G Programme B.Com (General) from the inception of the college. At present, the department is offering Two U.G Programmes (B.Com (General) and B.Com (Computers, Applications)) and one P.G Programme (M.Com). The department has well qualified, rich experienced and competent faculty in teaching and research with good number of articles in reputed Journals. They are also very active in encouraging the students towards research. They are very much interested and committed to nurture an environment for proper growth of intellectual insights on commerce and business aspects. Today education is not just dissemination of knowledge, but equipping the students with appropriate skills and ability to take up new challenges for contributing to the society as well as fulfilling their career dreams. Hence, the department not only concentrates on the academic excellence of its students but also nurtures their co-curricular and career oriented activities.

About the Test
