

GOVT. DEGREE COLLEGE, AVANIGADDA

Document of implementation of e-Governance

(Enterprise Resource Planning Document)

Govt. Degree College,Avanigadda implements e-Governance activities in the following areas:

- 1) Administration
- 2) Finance and Accounts
- 3) Student Admission and Support
- 4) Examinations

Response: A. All of the above

1) Administration

e-Office:The e-Office aims to support Governance by ushering in more effective and transparent inter andIntra-Government processes. The vision of e-Office is to achieve a simplified, responsive,effective and transparent working of all Government Offices. The Open Architecture on whiche-Office has been built, makes it a reusable framework and a standard reusable productamenable to replication across the Governments, at the Central, State and District levels. Theproduct brings together the independent functions and systems under a single framework.

Benefits of e-Office:

- Enhance transparency – files can be tracked, and their status is known to all at all times
- Increase accountability – the responsibility of quality and speed of decision making is easier to monitor.
- Assure data security and data integrity.
- Provide a platform for re-inventing and re-engineering the Government.
- Promote innovation by releasing staff energy and time from unproductive procedures.
- Transform the Government work culture and ethics.
- Promote greater collaboration in the workplace and effective knowledge management.

Features of e-Office:

Products of e-office:

eFile: Government has been putting great emphasis on improving productivity and its internal processes, increased transparency in the decision making and bring in citizen participation as part of the inclusive Governance in the country. Governance processes are based around creation of files, noting in the file, decision at various levels, and finally issuing decisions as letters and notifications. Any request to the Government goes through an elaborate processing of different stages called workflow.

Knowledge Management System (KMS): The Government have to manage large volumes of documents of various categories. These documents can be Policies, Forms, Acts and Regulations, Circulars, Guidelines and Standards and Manuals. Maintaining a central repository of document helps to have a single repository of documents from where all department/ministry users can access the information.

eOffice KMS enables users to create and manage electronic documents that can be viewed, searched and shared. It is also capable of keeping track of the different versions modified by

different users (Tracking history). It also contains a dynamic workflow to keep document in various stages.

CAMS: eOffice Collaboration and Messaging services helps users to communicate effectively and share information and ideas in real time. The Open architectures of the model enable to integrate the different eOffice services. The eTalk pulls all your files, documents, leave, tour together into one place while at the same time updating your status. With the unified communication and collaboration environment, employee can personalize and configure for communicating and collaborating fostering a more connected workplace.

eLeave: eLeave is a simple intuitive workflow based system to apply for leave online, track the status of applied leave, details of leaves taken and balance. Approval of leave is enabled through the automated hierarchical channel of submission and leave is routed to the hierarchy that is pre-defined in the workflow. The leave rules are configured as per the existing Government manual and leave processing is role based. The system helps to eliminate the paper-based applications and faster and time bound processing. Approving authority can view the leave balance and also leave details of employees prior to approving leave.

eTour: eTour is a system that facilitates the efficient management of employee tour programs, from the time of applying for the tour to the final settlement of bills. This system ensures that all tour requests are properly accounted for. Employees can apply for, cancel, approve/reject and view tour records without any hassle and delay of going through the paperwork.

For employees, the system allows to easily view their tour details at any point any time and request tours online. For managers, tour approval no longer involves trails of paperwork. The system provides complete trails of the employee's tour and plans.

SPARROW: Sparrow is an online system based on the comprehensive performance appraisal dossier that is maintained for each member of the Service by the State Government/Central Government. The aim of this system is to facilitate the electronic filling of PAR by officers in a way that is not only user friendly but also allows to fill from anywhere anytime as per their convenience. Similar convenience will be available to the officers at different levels in the workflow hierarchy of filling and submission process. The system is also expected to reduce delays in submission of completely filled APARs.

PIMS: Personnel Information Management System (PIMS) is a workflow-based system for maintaining the details of an employee. The main details of Employee Identity, Skill Sets, Contact Details, Posting & Location, CGHS, Nomination, Service Vol-1 and Vol-2, Loans, Salary Details, HBA, Record Verification Details. PIMS allows users to enter and update the employee personal data and employment records according to the access and role privileges. PIMS stores all the information required from an employee as per the provisions of the Service Book.

2) Finance and Accounts

CFMS Overview:

Comprehensive Financial Management System (CFMS) is an enterprise level application, being designed, developed and implemented by Andhra Pradesh Centre for Financial Systems and Services (APCFSS) on behalf of the Finance Department, on the SAP S4 HANA platform. The broad outcomes envisaged from the implementation of the CFMS project include a 'Single Source of Truth' across the Enterprise (i.e. the State) accessible by all the stakeholders of the system, real time information availability, facilitate agility in decision making, speed and certainty of service delivery, convenience to all the Stakeholders, minimal reconciliations and improved financial discipline in the State.

The Key Objectives of CFMS are:

- Enterprise wide approach implies that the CFMS solution would be based on a holistic approach breaking the departmental barriers/ information silos to facilitate informed decision making considering the comprehensive view of state of affairs.
- Effectiveness is doing the RIGHT things and in the context of the CFMS solution it connotes result-orientation, prioritization and optimum resource utilization, control and monitoring, timeliness and policy support.
- Efficiency is doing things RIGHT and in the context of the CFMS solution it connotes speed, accuracy, consistency and reliability, minimum manual interface and return on investment
- Accountability refers to stakeholders taking ownership for their actions and decisions across the value chain.
- Transparency refers to timely and accurate dissemination and disclosure of information, data and decision process to the concerned stakeholders.
- Stakeholder convenience implies that the stakeholders (ministries, departments, auditors, employees, pensioners, citizens, suppliers, contractors, parties, etc.) perceive benefits in using the system.
- Sustainability of the system in the long and short term.

SCOPE

Based on the envisaged vision and objectives, the overall scope is classified into 7 broad key process areas (KPA) - Budget Management, Revenue Management, Expenditure Management, Debt & Investment Management; Human Resources Management and Ways & Means Management. Based on this classification, high level and granular level objectives and sub-objectives identified in each of these KPAs are:

1. Improved capability of Planning and Budget Management through a collaborative approach between various divisions of the FD and other State government departments ensuring reduced budget preparation and distribution cycle time with the latest of current year's data being considered to project for the next year; availability of real time decision support system for budgetary control and monitoring; reduction in repetitive and

unproductive work including reduction in use of paper; and control on over draws/ fraudulent draws.

2. Improved Revenue Management by developing a seamless system of capturing and monitoring (at an enterprise wide level) revenue targets, collections/refunds and realization on a real time basis enabling greater control over misclassification and strengthening revenue collection mechanism by introducing easier means of payments (e-receipts) to Government, widespread reach and minimal reconciliation by ensuring single source of information.
3. Improved Expenditure Management that would include:
 - Real-time monitoring of all the payments with monthly/ quarterly/annual budgets;
 - 100% budget control without causing any hardship to stakeholders;
 - Single source of truth with respect to expenditure;
 - Reduction of paper/ manual work;
 - Greater control over misclassification;
 - Workflow automation with a provision to monitor physical target with financial progress;
 - Allocation of responsibility of expenditure control at the department level;
 - Streamlined flow of bills ensuring evenly distributed work load across all periods;
 - Reduced tedium/ hardships in presentation/ realization of bills at the DDO level;
 - Focused pre-audit on large expenditure; and
 - Advanced authentication procedures using Aadhaar based Bio-metrics and digital signature services;
 - Adequate system of monitoring of PD accounts
4. Improved Accounts Management that would include:
 - Single source of information meeting analytical requirements of all the stakeholders;
 - FD to have all possible information on State Accounts from its own sources;
 - Minimal reconciliations amongst AG, Treasuries, State Government Departments., Banks etc.;
 - Real time availability of accounts – ensuring speedy finalization of monthly and annual accounts;
 - Exception / risk based audit and inspections and monitoring of draft audit paras enabling timely and effective audit;
 - Reduction of paper/ manual work; and
 - Making available employee related debit and credit information through multiple delivery channels
5. Improved Debt and Investment Management that would enable availability of complete information on a real time basis on debt, loans, investment and guarantees outstanding at the State/ Department/ subordinate offices and PSE level including complete life cycle management of debt/ loans, guarantees and investments.
6. Improved Human Resources Management that would allow real time view into the employees of various categories and facilitate their hire to retire life cycle event management; pension management and processing of payroll.

7. Improved Ways & Means Management that would include real time decision support mechanism to key functionaries of the FD including a system enabling cash flow projections and management mechanism and minimal/ timely reconciliations.

SERVICES PROVIDED BY CFMS

The identified services under the Comprehensive Financial Management System (CFMS) are broadly categorized amongst the Government to Government (G2G), Government to Citizen (G2C), Government to Employee (G2E) and Government to Business (G2B) areas to cover the broad gamut of Government and its stakeholders.

GOVERNMENT TO GOVERNMENT (G2G)

Finance Department

Faster and efficient Budget Preparation to Budget Distribution cycle. Effective collection, recording, accounting and optimal utilization of state finances. Strengthened coordination with other departments for Disbursement from budget, Bill processing and approvals, PD account maintenance and Revenue collection analytics. Enhanced treasury support functions. Active communication with external stakeholders such as GSTN, RBI, Payment Gateway, Agency Banks and AG Office. Easy and user friendly maintenance of fund centers, HOAs and financial year guidelines.

Heads of the Department

Budget Allocation requests, Budget Distribution sanctions and approvals. Enhanced ways of budget re-distribution, additions, re-appropriation and surrenders. Online integration with external systems and users such as AG, Banks, RBI, GSTN etc. Enhanced monitoring and control of the finances allocated to SCO and DDO offices.

Treasuries

Seamless and automated Budget control mechanisms using BAC (Budget availability Check) at various bill lifecycle stages. Online Bill submission, processing, tracking and payments including enhanced Refund management process. Online Payment process & accounting including scroll from RBI e-Kuber platform. Enterprise level automated reconciliation, error resolution & reporting of both payments and receipts. Controlled and centralized payroll as well as payment system. Enhanced interface with AG office for synchronized reporting and audits. Granular level reporting using advanced analytics systems. Real-time Receipts and Expenditure information using advanced analytics.

Drawing and Disbursement Officers (DDOs)

Real time budget updates, Online Bill submission, tracking and payment. Online receipts.

RBI

Faster credit of receipts to states account. Timely and accurate scrolls of online payments and receipts. Error free reconciliation systems and processes.

AG

Direct and seamless accessibility to the data/information. Rapid and focused audit processes. Synchronized control over financial reporting by Treasury & Finance department. Paperless interactions between State and AG office.

GSTN

Regular updates of GST collections for the state using synchronized interfacing methods. End of the day reconciliations and automated error resolution procedures including exchange between RBI, GSTN and CFMS. Layered authentication for secure modes of communication between the systems.

GOVERNMENT TO CITIZEN (G2C)

Citizen (Service Requirement)

Challan payments/refunds using manual and online payment gateway methods (Debit or Credit card/Net banking etc.). Challan/Payment Status check. SMS status and acknowledgements of payments or refunds. Enhanced user interface including mobile platforms.

Social Security Pensioners

Enhanced Social benefits delivery. Direct & real-time benefit transfer to the individuals after a multi-layered authorization. Adhaar based Biometrics. Digital Signatures.

Taxpayers

Enhanced Social benefits delivery. Direct & real-time benefit transfer to the individuals after a multi-layered authorization. Adhaar based Biometrics. Digital Signatures.

GOVERNMENT TO CITIZEN (G2C)

Businesses/Service Providers

Multiple payment gateway options to provide ease of doing to the citizens. This will ensure all modes of payment acceptance such as Net banking, Debit card, Credit card etc.

Banks

Daily e-scrolls with synchronized interfacing.

Unique reference id based exchange of data for easier reconciliation between Banks, Payment Gateway(s) and RBI.

GOVERNMENT TO EMPLOYEES (G2E)

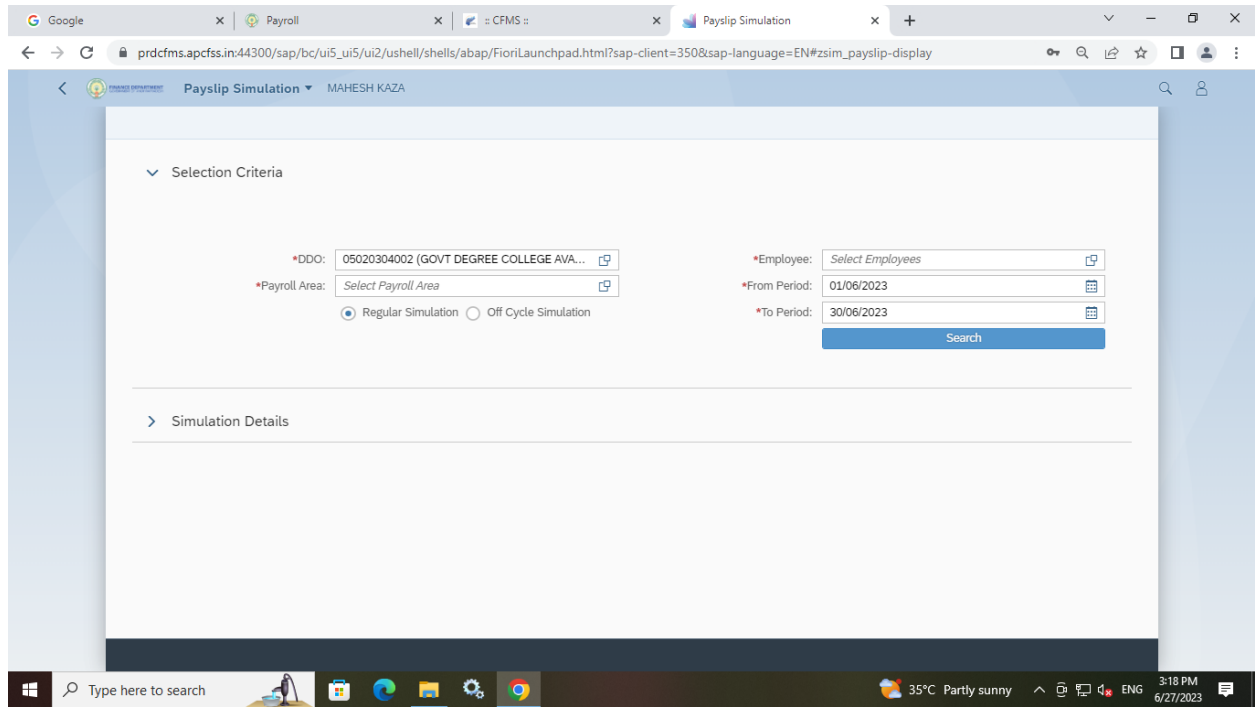

Employees

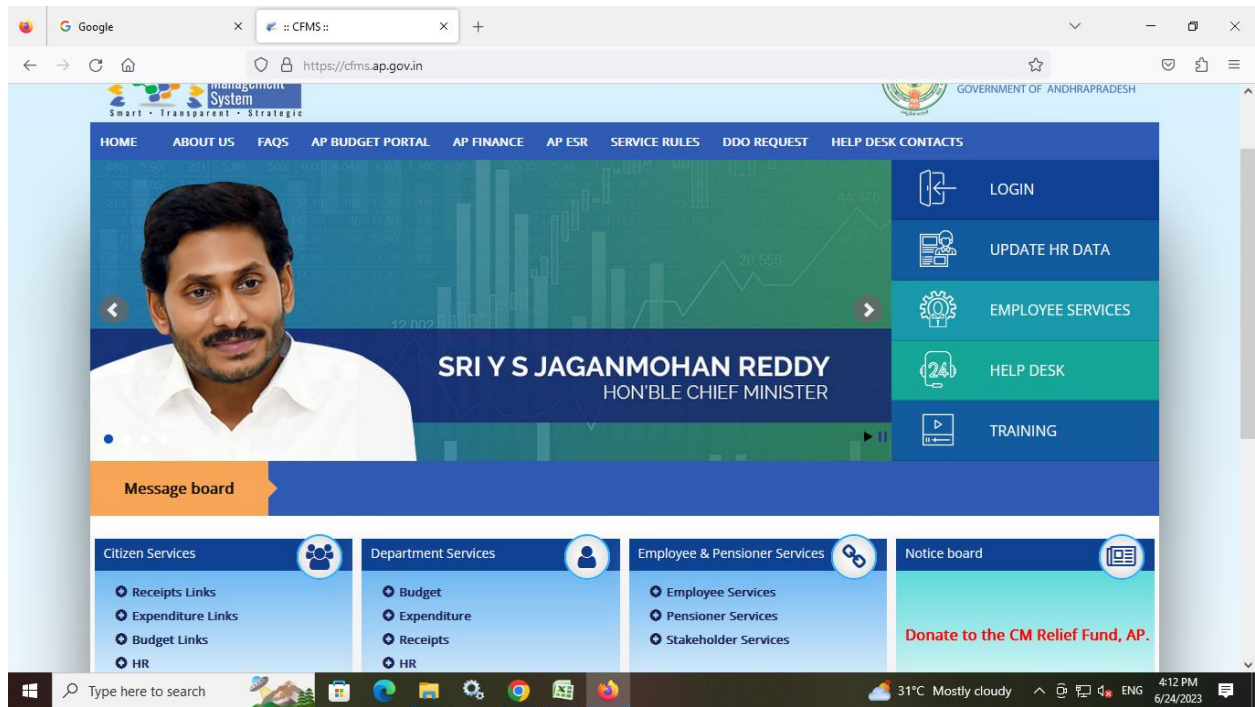

Self-service for maintenance of employee information e.g. Name, Address, PAN, Adhaar etc. Online creation of employee challans for Loan repayments and other payments towards government.

Retirees

Challan payments/refunds using manual and online payment gateway methods (Debit or Credit card/Net banking etc.). Challan/Payment Status check. SMS status and acknowledgements of payments or refunds. Enhanced user interface including mobile platforms.

A few screenshots of CFMS usage by the college staff

3) Student Admission and Support:

OAMDC

(Online Admissions Module for Degree Colleges by Govt. of Andhra Pradesh)

Online Admissions Module for Degree Colleges (OAMDC) is the Digital solution for seeking admissions into Undergraduate courses offered by the Degree colleges of the State Universities.

The online Admissions caters the need of student community into undergraduate courses in Arts, Science, Social Sciences, Commerce, Management, Computer Applications and Social work etc. including Honours. To all the above mentioned courses in the Government Degree colleges, Government Autonomous Degree colleges, Private Aided Degree Colleges, Private Unaided Degree Colleges and Private Autonomous Degree Colleges (Aided and Unaided) in the state.

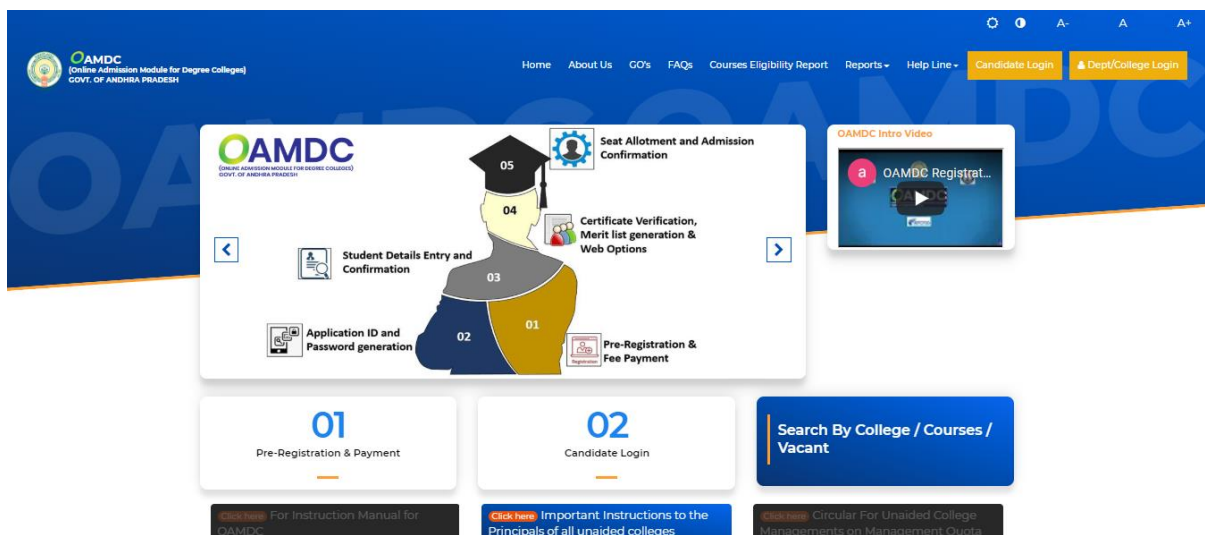

Candidate can Access the OAMDC portal at <https://oamdc.ap.gov.in>

The candidate may either search by College Name, by Course Name, by a click on Search By College/ Courses. Based on search criteria as By Course, in a university region, courses, the college shall be displayed.

Steps that a candidate has to follow in the OAMDC:

- a. Pre-Registration and Application Fee payment.
- b. Submission of Application by duly filling all the details that are necessary as per the process and guidelines.
- c. Verification of the Application at Help Line Centres in the Cases when system directs the Candidate to visit the nearest HLC.br
- d. Exercising the Web Options and thereby completing the Submission of final Web options
- e. Allotment of Seat and generation of allotment order

Scholarships: Jnanabhumi portal by Govt. of Andhra Pradesh, NATIONAL SCHOLARSHIP PORTAL by Govt. of India

Jnanabhumi is a dedicated online portal of Government of Andhra Pradesh for the implementation of various scholarship schemes offered by different government departments. Launched in the year 2017, it is a digital platform with the help of which the state government implements and disburses its Pre-Matric, Post-Matric and other scholarship schemes. Earlier, these schemes were implemented through the AP ePass portal. The students who are domicile of Andhra Pradesh state and belong to SC, ST, BC, Minorities, Kapu, EBC, differently-abled communities can avail benefits under these schemes.

OLTP (Online Teaching Learning Process) application developed and funded by CCE, Govt. of AP

For the implementation of online teaching learning process, an android application is developed by CCE, Govt. of Andhra Pradesh. Using the application, the faculty can post the attendance of classes regularly as per time table of the college. The application helps to maintain accountability and credibility of the lecturers towards teaching learning process.

The screenshot displays the 'Timetable' interface for Tuesday, June 26, 2023. At the top, there is a red header with a back arrow and the title 'Timetable'. Below the header, navigation options include 'Prev', the date '26-Jun-2023 to 01-Jul-2023', and 'Next'. A day selector shows 'TUE' as the active day. The status 'Scheduled 8 / Reported 8' is displayed. The timetable consists of five visible class entries, each in an orange box:

- MAT-6**: 6, B.Sc-M.P.C. SEM-VI, 10:50 AM:11:40 AM, Reported
- MAT-6**: 6, B.Sc-M.P.Cs-Sem-VI, 10:50 AM:11:40 AM, Reported
- M4-MVR**: 4, B.Sc - M.P.Cs - SEM - IV, 12:30 PM:01:20 PM, Reported
- MAT-4**: 4, B.Sc. -M.Ds.Cs-Sem-IV, 12:30 PM:01:20 PM, Reported
- MATHS-4**: 4, B.Sc - M.P.C - Sem - IV, 12:30 PM:01:20 PM, Reported

A sixth entry, **M4-MVR**, is partially visible at the bottom of the screen.

LMS organized by CCE, Govt. of AP, with the name of Bharatpadhe.

Learning Management System (LMS) is an important initiative of the department introduced to enhance the quality of teaching and promote cooperative learning among students. As an Academic Reform under RUSA, the effort is a step towards realising the Government's vision to transform Andhra Pradesh into a knowledge hub and empower its students with knowledge and skills.

The initiative aims at introducing pedagogy practices that support meaningful education enabling students to think critically, logically and have command over core subjects.

Government of Andhra Pradesh
Commissionerate of Collegiate Education

Objectives

- To encourage self learning among students
- To involve students in the ICT based Learning Process
- To change the role of teachers and facilitate learning by innovations, mentoring and counselling.
- To help students become familiar with basics and master the subject.
- To improve employment opportunities in core subjects

Through LMS, teachers utilize various pedagogical practices like video lessons, power point presentations, problem solving tasks, question banks, case studies, projects to promote active learning in students leading to effective transfer of knowledge and skills to students in and outside the classroom. Teachers are encouraged to explore few time-tested and practical pedagogical examples implemented across the world and design pedagogical methods that suit their students to ensure good learning outcomes

Process implemented by the department:

1. The pedagogy development committee for each subject prepared pedagogic strategies for all units in the curriculum
2. Suitable topics for strategies like case studies, assignments, models, project work, class seminar, videos and their open online sources and web links for online learning were listed
3. Student related material was also worked out to help students get a comprehensive view of the subject including the following components under pedagogy kit.
 - i. Handouts with web links for the students giving the overview of the video lesson
 - ii. Power Point Presentation
 - iii. Self Assessment Questions

Additional Pedagogical Benefits: 15 minute Video capsules:

The department has taken every care to help students understand the subject in depth by using video lessons as effective teaching and learning tools. Topics identified for video generation were recorded and hosted on the LMS portal to be accessible to all teachers and students. The video capsules along with the reading material will be accessible to students and teachers through the LMS portal throughout the academic year.

Expected Outcomes:

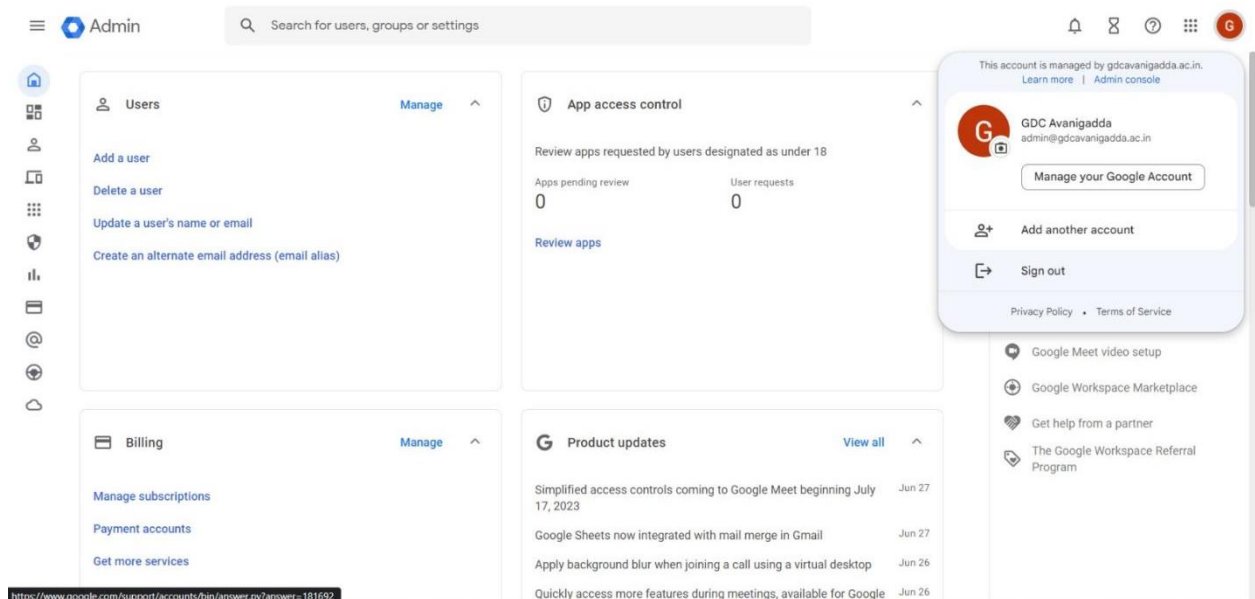

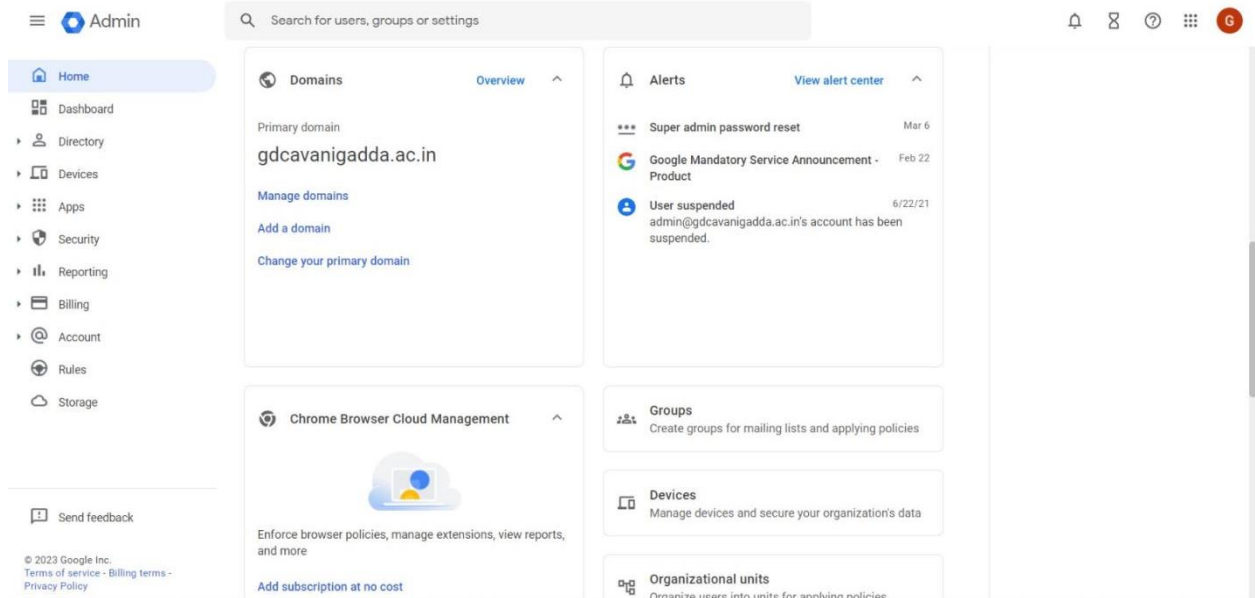

- The initiative will positively impact the teaching learning process in colleges
- Continuous and systematic evaluation of learning will be provided
- Students will orient towards independent learning and creative ventures
- Scope of employment and entrepreneurship in varied sectors is broadened

4) Examinations

Govt Degree College, Avanigadda is affiliated to Krishna University, Machilipatnam, Andhra Pradesh. The examination section of University disseminates exam related information to the students and faculty through the website: <https://kru.ac.in/category/examinations/>

The screenshot displays the Krishna University website. The header includes the university's name, establishment details, and a navigation menu. The main content area features a large image of the Dr. B. R. Ambedkar Academic Block and a list of updates related to examinations. The updates include:

- PHASE RESULTS BED-IV AND SPL.BED-IV SEMESTER EXAMINATIONS DEC-2022 OF MRR AND MNR COLLEGES
- LLB-IV AND BA.LLB-IV AND VIII SEMESTER EXAMINATIONS AUG-2023 NOTIFICATION
- PG-II SEMESTER EXAMINATIONS JULY-2023 NOTIFICATION

Moreover the college also display the exam related information in the college website. Exam cell of the college intimates the schedule of examinations to the students and faculty through the college website.

Also, the exam cell makes use of whatsapp group created explicitly for the teaching and non-teaching of college to circulate the important information regarding examinations.

No. KRU/UG-EXC005/Exams/II, IV & VI Semester /2023 Dated: 01-06-2023

NOTIFICATION

Applications are invited from the eligible candidates of II, IV & VI Semester Regular & Supplementar of UG (B.A. / B.Com. (Gen/Comp/Hons) / B.Sc. / B.Sc. (I&HA) / B.C.A. / B.B.A. / B.A. (OL) courses under Choice Based Credit System (CBCS) from the colleges affiliated to Krishna University for the academic year 2022-23.

The following is the schedule of dates for payment of examination fee and receipt of filled in application for II, IV & VI Semester UG (CBCS) Examinations

S.No	Particulars	Dates
1	Starting Date of online enrollment and online submission of examination application as per guidelines circulated to the Principals	02-06-2023
2	Last date for online submission and payment of fee without late fee	12-06-2023
3	Last Date for remittance to University account by the Principals through online transfer	13-06-2023
4	Last date for online submission and payment of fee with a late fee of Rs. 200/-	14-06-2023
5	Last date for online submission and payment of fee with a late fee of Rs.1000/-	16-06-2023
6	Last date for online submission and payment of fee with a late fee of Rs.5000/-	19-06-2023
7	Date for submission of online galleries (Spiral binding books) to the Controller of Examinations, KRU, Machilipatnam.	20-06-2023
8	Tentative Date of commencement of Theory Examinations	VI & IV Semester 05-07-2023
9	Date of commencement of Practical Examinations	II Semester After theory exams

a) Whole semester examination fee -	Rs. 750-00
i) Exam Fee for single paper appearance for each semester	Rs 250-00
ii) two Papers appearance for each semester	Rs 500-00
iii) three or more papers appearance for each semester	Rs 750-00
b) Fee towards evaluation of projects (BA & B.Com, BBA & B.Sc(H &HA) Internship VI Semester Regular Students)	Rs 130-00
c) Practical examination fee for each practical	Rs 130.00
d) Project evaluation fee for each project	Rs 130.00
e) Provisional Certificate Fee (2020-21 batch Regular Students only)	Rs.150.00
