Cordially invites you  
for the  
**NEW YEAR  
CELEBRATIONS**

**2022**

On

**01.01.2022**

Venue: Principal's Chamber

A new year, a felicitous occasion for all without any difference in cadres, castes, religions.... A healthy tradition is continued in the GDC Avanigadda, by Internal Quality Assurance Cell. A formal cake cutting is done by principal Dr. D. Uma Rani after reciprocating wishes among the academic family of GDC, Avanigadda. Later a delicious breakfast was served to all with a warm coffee. The academic family of GDC, Avanigadda has taken a promise to work little bit hard for NAAC to achieve better rank in the coming cycle on this occasion.

**Organised by**

**Internal Quality Assurance Cell**

**Venue : SB 4**

The main purpose of the National Assessment and Accreditation Council (NAAC) for conducting accreditation in colleges, and higher education institutes is to create understanding about the status of education quality among the institutes.

The NAAC body itself creates the set of standards that can be referred by the educational institutes to check if they are eligible to apply for NAAC accreditation. Accreditation process is being changed day by day by NAAC. NAAC accreditation procedure should be known not only by IQAC coordinator but also by everyone in the institution. Hence, the IQAC has arranged an awareness programme at institution level on 14<sup>th</sup> May 2021.

The principal Dr. D. Uma Rani garu explained the importance of NAAC accreditation to institution and has given a wake-up call to the faculty as well as non-teaching staff to work hard for NAAC. Later the IQAC coordinator explained each and every key indicator very patiently and distributed the work among staff.

**Principal Dr.D. Uma Rani garu is explaining the staff**

**Venue : SB 4**

World Environment Day is the United Nations Day for encouraging worldwide awareness and action to protect our environment. This year's theme is "Eco System Restoration" and the United Nations Decade on Ecosystem Restoration runs from 2021 to 2030. As a part of this, the IQAC, GDC, Avanigadda has taken an initiative to motivate younger generations, an online meet is organised. Principal Dr.D.Uma Rani garu addressed the staff and students. The IQAC coordinator explained the severity of the environmental issues. All the faculty members addressed the students and explained the importance of this day and mentioned the responsibility of a citizen to protect the environment.

**Awareness Programme on  
Balancing Administrative Responsibilities & Academic Work

**Internal Quality Assurance Cell**

**Cordially invites you for**

**Awareness Programme on**

**“Balancing  
Administrative Responsibilities  
& Academic Work”**

**On 4<sup>th</sup> July 2022**

**Venue: Principal's Chamber**

Quality assurance in education is a critical process that includes promoting innovation in teaching and learning including, but not limited to, synchronous and asynchronous online teaching and novel uses of technology to enhance in-person teaching and learning, continuous quality improvement of teaching and learning including the development, collection and analysis of appropriate performance metrics, and building a culture of excellence in teaching that rewards the best and supports the rest. Apart from this responsibility, every faculty should be aware of administration also. As faculty is in limited number in most of the GDCs, every faculty should take over the charge of additional responsibility. This may give stress to the faculty. In this scenario, a balance is essential in fulfilling both the responsibilities. Keeping this in mind, the IQAC of GDC, Avanigadda has arranged an awareness programme on “Balancing Administrative Responsibilities & Academic Work” on 4<sup>th</sup> July 2022.

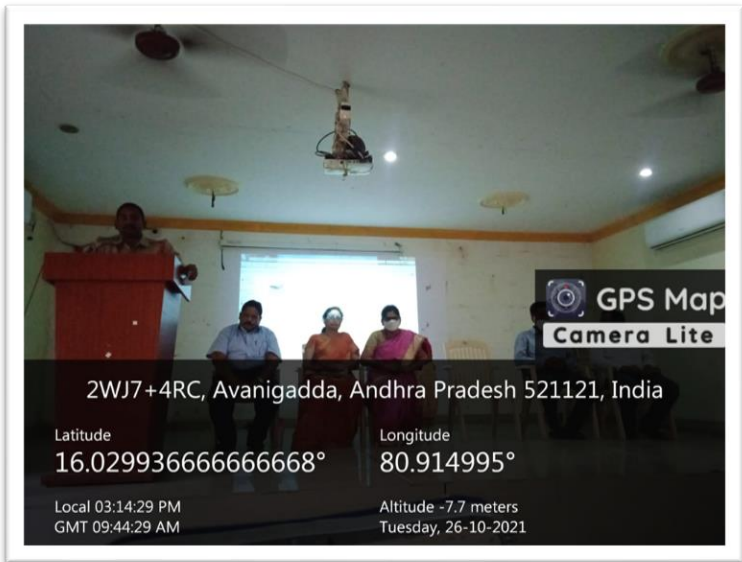

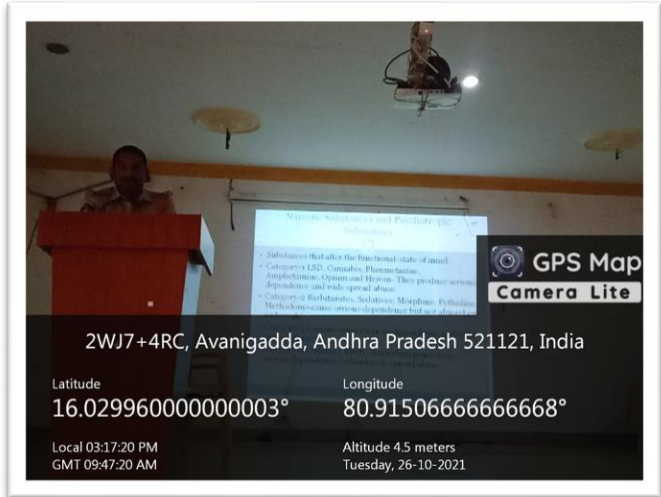

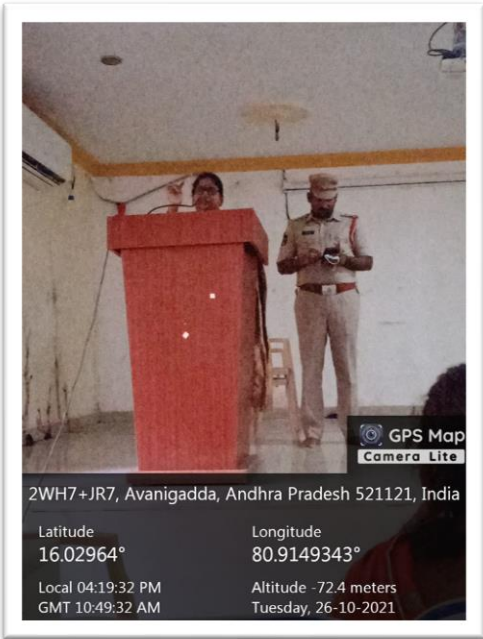

# Awareness Programme on Drug Addiction – Evil Effects On 26.10.2021

Teenagers use drugs and alcohol at social gatherings in order to relax and lower inhibition. Teens often experiment with party drugs initially due to peer pressure but later, it is to chase a feeling of euphoria or relief from their problems. While many teens try drugs, some develop a chemical dependency that lasts through adulthood. This is all because of lack of awareness about adverse effects of drugs. As it is illegal for a person to produce/manufacture/cultivate, possess, sell, purchase, transport, store, and/or consume any narcotic drug or psychotropic substance, every student should be aware of legal actions taken by the police departments also. Hence, IQAC has conducted an awareness program to sensitize the student community on the harmful effects on drug & alcohol addiction in association with police department.

Sri.Bheemeswara Ravi Kumar garu representative from department of police elaborately explained the legal actions taken by the department. Principal Dr. D. Uma Rani garu clearly explained the harmful effects of drug addiction.

# National Education Day

On  
11.11.2021

**GOVERNMENT DEGREE COLLEGE**  
Avanigadda - 521121, Krishna Dt. Andhra Pradesh

**INTERNAL QUALITY  
ASSURANCE CELL**

Cordially invites you  
for the Celebrations of

**NATIONAL EDUCATION DAY**  
11 November

*To speak gratitude is courteous and pleasant,  
To enact gratitude is generous and noble  
But to live gratitude is to touch Heaven  
- Johannes Gaertner*

Non – teaching staff (supporting staff) are part of our fraternity who help to run our college well. They play important role to ensure that the college remains a safe and conducive environment and support key administrative processes. As a mark of gratitude to their endless efforts the principal of the college took the initiative along with IQAC to felicitate the supporting staff of our college. All the teaching staff were assembled in NA 10 in the science block on 12<sup>th</sup> May 2022 and participated in the event. The supporting staff of various designations were felicitated by the administrative authorities. All the non-teaching staff expressed their gratitude to the principal and told that this was the first time this honour was given to them in their entire service.

Superintendent Sri Ravi Chandra & the Sr. Assistant Sri K. Mahesh participating in the event.

Trainer  
**Mr. U. Srinivas**  
 IAF

None of us is born with the ability to excel in various fields; however, experience and training prepare us to use our talents. Personality development is a part of skill development as it prepares us to express our thoughts with clarity and precision.

Personality development and soft skills go hand in hand. We can instantly become more appealing if we know how to present ourselves in situations. This comes by honing certain skills that can help us progress in our career.

Personality development sessions and opportunities to interact with mentors regularly can be transformative for teachers. Personality development allows teachers to broaden their knowledge base so that they can respond to all queries, and ensure that their students are acquiring the most up-to-date material possible.

Quality professional development of teachers provides a host of benefits to students and educators such as keeping students up to date with the latest curriculum, managing administration tasks more effectively, and producing higher morale amongst teachers. Frequent opportunities to collaborate and participate in mentoring can be transformative.

Students also look to educators as experts on the subjects they teach. Professional development allows teachers to expand their knowledge base so that they can answer any questions that come their way, and ensure their students are always learning the most current and up to date information on their respective subjects.

Keeping all these aspects in mind, The Quality Assurance Cell of GDC, Avanigadda has arranged a Two Day Training on “Personality Development & Skill Development” by an international motivational speaker Mr.U.Srinivas IAF, recently retired from Indian Air Force, who contributed his services in Kargil War. The resource person is well trained from reputed business schools like IIM, Indore.

The workshop was scheduled for two days, two sessions per a day. First day is specially meant for teachers and the other day for students specially.

He explained how to groom and polish our character, how to boost up self-confidence and enhance self-worth, how to increase our chances for success in respective fields, the importance of positive thinking etc. with very nice and real-life examples. He shared his own experiences in becoming a successful motivational speaker.

He addresses the students on second day. It is just not a lecture. He has given various activities to students, the way he involved students is really impressive. Students inspired a lot, definitely this extension lecture workshop inspired teachers as well as students, and the knowledge gained through the workshop will help them to become excel in future.
