INVITATION

DEPARTMENT OF CHEMISTRY

NATIONAL SCIENCE DAY CELEBRATIONS

28.2.2024 TO 1.3.2024

28-2-2024 : National level Online Quiz

29-2 -2024 : Science Exhibition

01-3-2024 : Guest Lecture

Dr. POLA BHASKAR, IAS

Dr. CHAPPIDI KRISHNA, RJD

Dr. D.UMA RANI, PRINCIPAL.

Organizing Committee:

Dr. G. Nagarjuna, Lecturer in Chemistry.

Smt.M.NagaParameswari, Lecturer in Chemistry.

Smt.D.Nagamani, Lecturer in Zoology.

29-2 -2024 : Science Exhibition

National Science Day is celebrated every year on February 28 to commemorate the discovery of the 'Raman Effect' and raise awareness about the importance of science and its role in improving people's lives. In this connection, the Department of Chemistry, Govt. Degree College, Avanigadda, is celebrating National Science Day from February 28, 2024, to March 3, 2024.

On 28.2.2024, a National Online Quiz will be held, followed by a Science Exhibition on 29.2.2024.

Report on Science Exhibition – National Science Day

On the occasion of National Science Day, the Department of Chemistry of Government Degree College, Avanigadda, organized a Science Exhibition. The event aimed to promote scientific awareness among students.

In this exhibition, students from the Department of Chemistry actively participated by demonstrating various scientific concepts. They explained topics such as food adulteration in pulses and milk, presented models of acid rain and molecular structures, and showcased chemistry lab equipment to school students. Their engaging explanations helped younger students understand the importance of chemistry in daily life. A total of 157 students participated in the exhibition. Students and teachers from St. Ann's English Medium School, Pragathi English Medium School, and Vidyankethan English Medium School, Avanigadda, attended the event along with Government Degree College students, faculty, and teachers.

The exhibition was honored by the presence of Dr. D. Uma Rani, Principal of the College, Vice Principal R. Anka Rao, and IQAC Coordinator S. B. Sandhya Rani, who visited the stalls and appreciated the students' efforts. Dr. G. Nagarjuna took the initiative in inviting school students and staff, ensuring maximum participation. Smt. M. Naggarameswari provided valuable support and guidance to students in preparing their models. The event was a great success, fostering scientific curiosity and creativity among students while strengthening their practical knowledge of chemistry.

23.2.24

Circular

All the students are hereby informed that the Department of Chemistry proposed to conduct National level online Quiz, Science Exhibition and Guest lecture on the occasion of National Science Day from 23.2.24 to 1.3.24. So, all the students register online Quiz through your email and after submission of answers to questions you will get e-certificates.
