REPORT

Department of Computer Science

Report on "E-Check" Activities–April 2025

Theme: Keeping Electronic Waste in Check & Disposing Scientifically

As part of the Swachha Andhra-Swarna Andhra (SASA) initiative under the April 2025 theme "E-Check," The Department of Computer Science has actively participated in a series of meaningful activities aimed at promoting awareness and responsible management of electronic waste (E-waste). The following initiatives were carried out both within and outside the college premises:

1. E-Waste Collection Drive (Intra-College):

E-waste collection bins were set up within the college campus, encouraging students and faculty from various departments to responsibly dispose of obsolete or non-functional electronic items. A significant quantity of E-waste was collected and documented as per SASA guidelines.

E-Waste is collected from J.K.C –LAB & other Departments

2. Awareness Campaigns (Outside College):

Students of the department conducted awareness campaigns in near by communities, educating the public on the harmful effects of improper E-waste disposal and the importance of re-cycling. During these campaigns, E-waste items were also collected from the public.

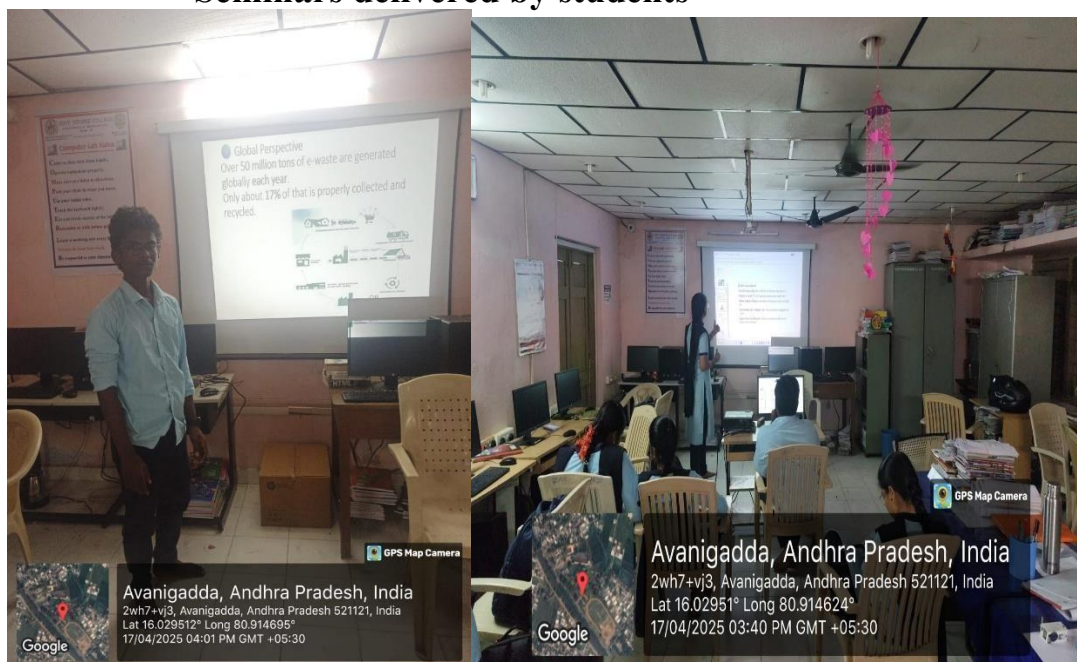

Awareness campaigns conducted by students

3. Student Seminars:

A total of 10 students from the Department of Computer Science presented insightful seminars on various aspects of E-waste management, including its Environmental impact, sustainable disposal practices, and technological solutions to minimize electronic waste.

Seminars delivered by students

4. **Clean and Green Initiative:**

As a part of the broader environmental drive, the department also participated in a “Clean and Green” activity, which involved cleaning of the college surroundings and proper waste segregation.

5. **Campus Plantation Drive:**

In an effort to further enhance the green environment of the institution, a plantation program was organized within the campus. Students and faculty enthusiastically participated in planting saplings, contributing to a cleaner and greener college environment.

6. **Hand-Wash Awareness Demonstrations:**

In line with promoting hygiene and public health, students also conducted **live demonstrations on proper hand-washing techniques**. These sessions were Targeted at fellow students and the public during outreach campaigns, highlighting the importance of hand hygiene in daily life, especially in the post-pandemic context. These collective efforts reflect our commitment to sustainable environmental practices and community awareness, in line with the objectives set by the Government of Andhra Pradesh under the Swachha Andhra initiative.
