## A Brief Report on "Field Trip" TO Electrical Appliance Sales and Servicing Centres Machilipatnam, Krishna Dt On 30.08.2022 Organised by Department of Physics, GDC, Avanigadda

Internship is a compulsory program in B.Sc, particularly in Skill Development Courses. As they have studied the course "Electrical Appliances" as SDC in their I semester, we arranged field trip to visit electrical appliance sales and servicing centres to know the nature of work at these centres. They visited technical people related to repair of fans, AC, refrigerator, cooler repairs. This gives an opportunity to them to choose a suitable field for their internship. Dr.Y.N.Ch. Ravi Babu, Faculty of Physics, GDC Avanigadda has lead this programme. Students visited Vamsi Electronics servicing centre, Yamuna servicing and other major serving units of located at Machilipatnam.

Students at Vamsi Electronics, Machilipatnam

Dr.Y.N.Ch. Ravi Babu, Faculty of Physics with students at Vamsi Electronics, Machilipatnam

students at Yamuna Electronics, Machilipatnam
