## Napkin vending machine

on 18/11/2017 in our College we introduced Napkin vending machine. It was inaugurated by a girl student. It is very useful for girl students as well as female staff. If we insert a five rupee coin, we can get a napkin at any time. And there is an another machine napkin burning machine. Used napkin burn in this machine. This is also a very useful machine to maintain health & hygiene. This is also inaugurated by a girl student.
